Our Trip to Middle Earth

The last year and a half I have seen God's hand in many situations. One blessing was to spend some vacation time with my family this June in New Zealand. Thank you so much to everyone who prayed for our trip and/or helped with the planning! All of us had smooth and safe flights and a wonderful time together.

Living on a missionary center has many perks. I know everyone well here and I never have to travel far for work. On the other hand, it can sometimes feel as though you're living in a bubble. Vacation time away from the bubble to relax was what I needed and I thank God for blessing me with this trip with my family! I would love to share a few of my favorite pictures from the trip with you on the following pages.

I'm unceasingly amazed by God's creativity and this trip was no exception! While the last couple months have been difficult and filled with many goodbyes as friends leave for furlough or go home permanently, this was a breath of fresh air. Thank you for your encouragement and prayers as all of us here begin preparing for the new school year. If you have any questions, please email me!

Prayer Requests

New Missionaries Arriving Soon

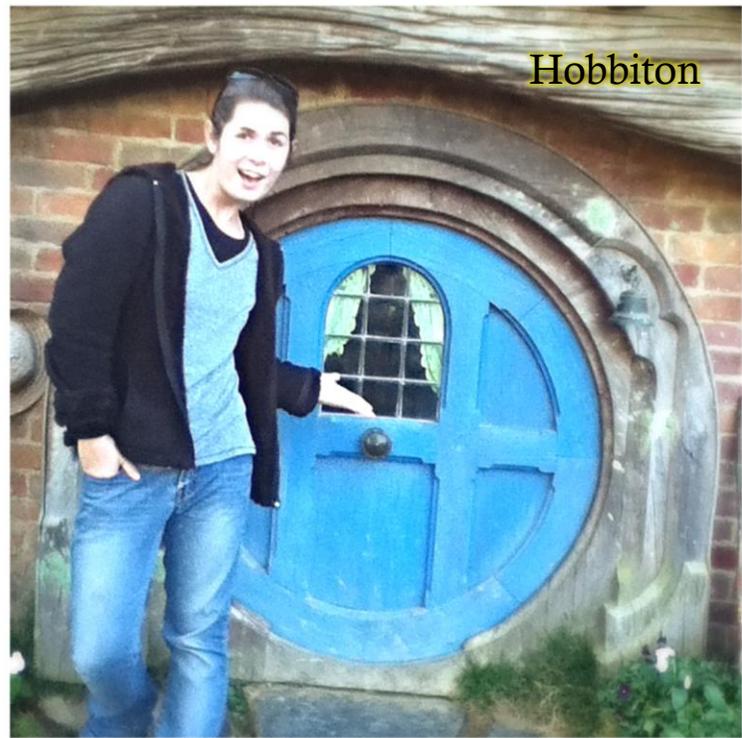

The next Pacific Orientation Course begins this month in Madang. Many new missionaries, including some teachers, will be attending the course before coming to Ukarumpa or their place of assignment. Please be praying for a productive and safe course.

Next School Year

June and July are major transition times in Ukarumpa. Many families are either leaving or returning from furlough. Please pray for students during this time and for the upcoming school year.
