Meet my new guard dog, Ella!

Please pray for a good home for Ella while I'm on furlough in the States later this year.

Class is back in session!

Please pray for a good semester for this fourth grade class.

Thank you for your prayers! The Middle School Retreat went very well! Praise God!

Please pray for these students as they now decide what to do with this identity Christ freely offers them.

What an experience the last 2 years have been! But I feel as though God has me where He wants me for now. So, I'm now a career member of Wycliffe!

Please pray for my upcoming furlough and that I will be able to return to Papua New Guinea in God's timing.

Just 3 months till furlough! It's time to start marking some solid dates on the calendar! If your church, small group, Sunday school, etc. would like to meet in the fall, email me to talk about dates!

With lots to schedule, please pray for solid commitments for meetings while I'm in the States.

We're celebrating 60 years in Papua New Guinea this year! This week we're all gathered together to hear reports from language projects around PNG.

Please pray for God to continue raising up new workers to work in PNG and around the world.
