I get to do more than just teach in Papua New Guinea. Some weekends I help connect translation teams by operating the radio!

Our awesome students in Ukarumpa need a few more teachers next school year. Please pray that God would provide the right people.

My 8<sup>th</sup> grade students put on their first play this weekend. It was titled "Superheroes Unite!"

Please continue to pray for enough teachers for my students at the beginning of next school year.

Less than 3 weeks till I begin the journey back to the States for furlough! I'm looking forward to catching up with all of you!

I won't be able to return to Papua New Guinea until I've reached 100% of my partnership team. Please pray God would begin preparing hearts now to join my Wycliffe ministry team.
